**GENERAL INFORMATION**

SAM 2 User Note: The state agency user will note that not all line item numbers on this notice and on SAM 2 are consecutively numbered. This is because the numbering herein follows the numbering from the RFP, which will also be the numbering the contractor will use for invoicing. For reasons of consistency between the bid document and the contract, the line items herein follow the bid even though they are not consecutive. SAM 2 line item numbering should match numbering on this statewide notice.

Vehicle specifications and prices, including options, are included herein.

**ORDERING**

Note to State Agencies: Prior to making a vehicle purchase, the state agency must complete a vehicle pre approval form and submit to Cindy Dixon, State Fleet Manager. The pre-approval form can be found at the following website address:

<http://www.oe.mo.gov/gs/fm/vehiclepreapproved.htm>

Once the state agency receives approval from the State Fleet Manager, the agency shall issue its own PGQ (Quick Price Agreement) order. The contractor must not ship until they are in receipt of a hard copy PGQ order.

The commodity service code to use for alternative fuel vehicles in SAM 2 will be 07007.

The commodity service code to use for all regular fuel vehicles in SAM 2 will be 07048.
